Re: Petition Demanding the Resignation of Vanessa Pollack, Sarah Milmine

Dear Ms. Bozza:

Please find enclosed a petition with over five hundred signatures calling for the immediate resignation or termination of Vanessa Pollock and Sarah Milmine, child protective authorities within your organization. The petition was conducted by Change.Org, an independent organization that collects and verifies petitions put to the public.

Ms. Pollock and Ms. Milmine have lost the trust of the community resulting from their negligence in their investigation of child sex abuse reported by Alex, Paige and Clayton Misener. The community has lost faith in them, having witnessed their role in the global manhunt and malicious prosecution of the family which led to torture at the hands of a foreign government.

It is clear that neither Ms. Pollock nor Ms. Milmine, by way of their poor professional conduct, are any longer eligible to be child protection authorities in the Province of Ontario; accordingly, we demand that you take immediate and decisive action to terminate their employment. This petition remains active and more signatures are being collected by the day. The people have clearly spoken.

Should you require any additional information, establish contact through counsel Maitre Matthew Reardon at contact@galantry.net or +508 55 20 48.

Thank-you in advance for your cooperation in this matter.

Sincerely,
Friends of Alex and Paige

P E T I T I O N

Hold police, other authorities accountable for negligence in this child sex abuse case.

TO:

Chief Bryan MacCulloch, Niagara Regional Police Service
Commissioner Thomas Carrique, Ontario Provincial Police
Ms. Anna Bozza, Family and Childrens' Services Niagara

COPY:

Michael Kerzner, Solicitor General of Ontario
Merrilee Fullerton, Minister of Children, Community and Social Services

WE THE UNDERSIGNED demand the resignation or immediate termination of:

- Detective Sergeant Dennis Osti the Niagara Regional Police Service
- Detective Constable Ashley Horton of the Ontario Provincial Police
- Vanessa Pollock and Sarah Milmine of Family and Children's Services Niagara

WHEREAS these officials were negligent in their investigations of the child sex abuse reported by Alexandra, Paige and Clayton Misener in that they:

- (a) failed to properly investigate the incidents,
- (b) filed erroneous reports,
- (c) withheld critically important information and documentation,
- (d) misled the courts,
- (e) initiated a punitive cross-Canada manhunt for the family,
- (f) recruited other departments and agents of government under false pretences,
- (g) and sponsored malicious foreign prosecutions;

AND WHEREAS these officials offered no protection whatsoever to these two young girls who had suffered sexual abuse on multiple occasions, and then declined to help them even when their actions led to intolerable circumstances for the family, including torture;

AND WHEREAS the family was forced to flee Canada for their own personal safety as a direct result of the totality of the performance, attitude and conduct of these officials;

AND GIVING CONSIDERATION TO the scanned documents and other media published by the family, some of which originates from your organizations, all of which are damning convictions

of your role in this debacle;

WE ARE OF THE VIEW THAT these officials, your employees, were negligent in the most basic duties of care and due diligence imported into their offices; that they abused their vested powers and the authority of your organization in an attempt to cover up; and that they persecuted the family for daring to disobey them - "contempt of cop;" and that they did so vindictively and dishonestly;

WE ARE ALSO OF THE VIEW THAT the command authorities and management of your organizations failed to properly supervise these officials, check or control their performance, or even validate information communicated between you; and that you knowingly failed to identify and rectify the problems with their performance until it was far too late.

WE THEREFORE no longer trust these officials to be police officers or child protection workers in our community, or anywhere else for that matter; and we are more than disappointed with your organizations for this disaster that could have been prevented.

WE DEMAND that these officials forthwith resign or be terminated; and that measures be immediately taken to prevent this kind of tragedy from ever again occurring.
