Re: Petition Demanding the Resignation of Four Public Officials

Dear Ms. Fullerton:

Please find enclosed three duly served petitions calling for the resignation or termination of two police officers and two child protection authorities. The signatories no longer trust these officials as a result of their negligence in a child sex abuse case, and their role in the malicious prosecution that resulted in torture at the hands of a foreign government.

The people are demanding the resignation or termination of:

- Detective Sergeant Dennis Osti the Niagara Regional Police Service
- Detective Constable Ashley Horton of the Ontario Provincial Police
- Vanessa Pollock and Sarah Milmine of Family and Children’s Services Niagara

These officials, by way of their poor professional conduct, should no longer be eligible to serve as police officers or child protection authorities in Ontario; accordingly, the signatories demand that you ensure each of the organizations named take immediate and decisive action to terminate their employment. This petition remains active and more signatures are being collected by the day. The people have clearly spoken.

Should you require any additional information, establish contact through counsel Maitre Matthew Rearon at contact@galantry.net or +508 55 20 48.

Thank-you in advance for your cooperation in this matter.

Sincerely,
Friends of Alex and Paige
