Hello Krystal:

I have confirmed that [REDACTED] has access to and is receiving instruction on the use of high-powered rifles, pictures attached. I have also confirmed that [REDACTED] has frequented the area of your facility at which my [REDACTED] [REDACTED] are incarcerated. Given Mr. [REDACTED]'s previously stated position, published by him publicly on Facebook (shooting caricatures of [REDACTED] etc.) I fear that this represents a clear threat and stated intent of his desire to harm [REDACTED].

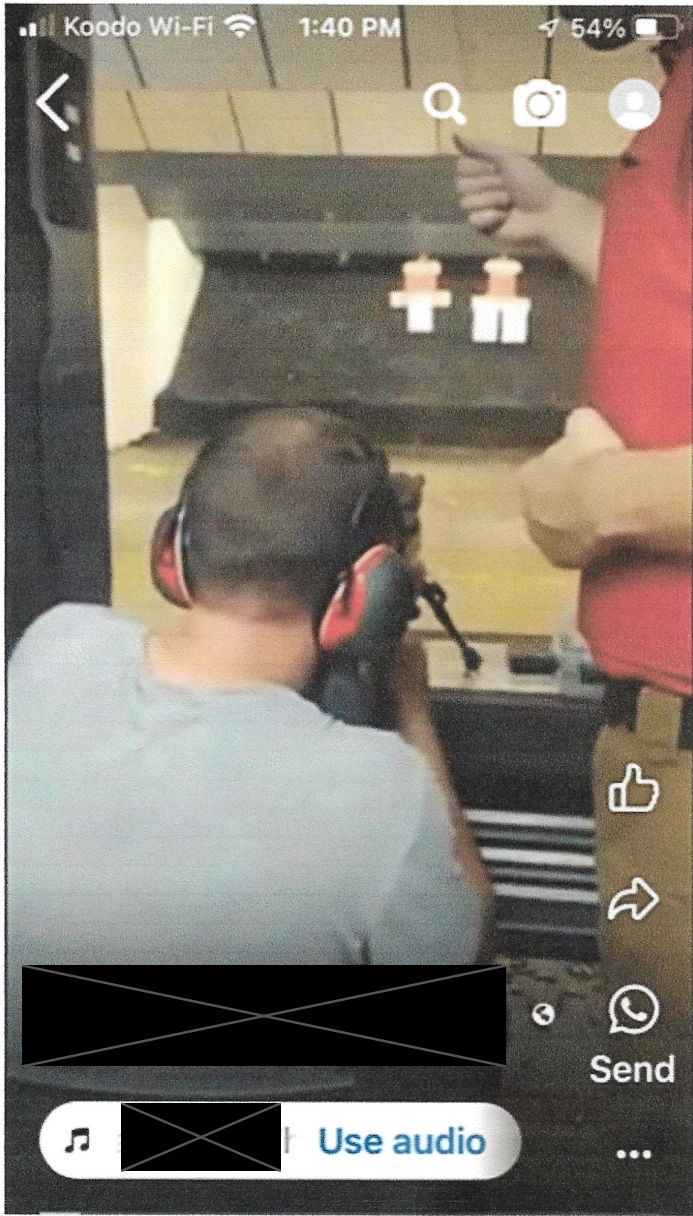

I strongly encourage the Society to take all necessary precautions to protect [REDACTED] as they are, against their wishes, in the Society's care and powerless to protect themselves.

Sincerely,
[REDACTED]
